Box Lunch Co.

Sugee's was first opened in 1982 as a wholesale bakery and we sold our cookies and cakes to some of the best restaurants in Seattle. In 1984 we started selling our products at Festivals throughout the Northwest and we have also provided all the food concessions for the Summer Nights concert series at Pier 62 and South Lake Union. At Sugee's we roast our turkey, ham, roast beef, corned beef, and pastrami. Our meatloaf is a family recipe that we're sure you'll enjoy. We make our own chicken, tuna, egg and potato salads using only the best of ingredients and we always make small batches daily to ensure their freshness. All of our green salads are made from the best produce available. Just like in the beginning we still do all of our own baking to make sure that your cakes, pastries and especially our very special cookies are the best around. The basis of any great sandwich is the bread and at Sugee's we bake our own. Whether it's our Honey Cracked Wheat, our Sourdough, our Light Caraway Rye or our Wheat Rolls we offer the best from our ovens to make your sandwich the finest around. At Sugee's when you order your lunch we make it fresh just for you.

Sugee's is a second generation family owned business and we go out of our way to ensure that your order, whether it's one box lunch or a thousand, is prepared and delivered just the way you want. We know you have a lot of choices for lunch so we would like to thank you for letting us serve you.

Enjoy!
